WHAT IS BPA ALL STARS?

NEW!

BPA All-Stars is now offering two performing groups for students in grades 4-6 & 7-12. The program offers additional opportunities for dancers to perform and attend dance competitions during the year in addition to our June recital.

HOW DOES IT WORK?

- ★ As a member of the BPA All-Stars, you will be performing your Wednesday class (6:15 or 8:15) "jazz" style routine at performances & competitions. You have the option to participate in up to 3 additional group routines in the following styles: tap, hip hop, and/or contemporary. Dancers must be enrolled in a BPA class in the same style as the additional All-Star routine(s) they wish to participate in.

Registration for additional routines will be available in August.

- ★ A detailed rehearsal schedule for each additional routine will be set after our parent meeting. All choreography for the "jazz" style class routine will be taught on Wednesdays only, and all additional routines on select Fridays from 4:15-7:15. Dancers will NOT be scheduled to attend rehearsal every Friday, only select dates depending on which routine is being taught.

HOW DO I BECOME A MEMBER?

- ★ Enroll in one of the All-Star performance classes on Wednesdays (Grade 4-6 @ 6:15pm or Grade 7-12 @ 8:15pm) AND Enroll in at least one BPA intermediate/level 3 or higher jazz, ballet, contemporary, and/or hip hop class along with the Wednesday All-Star class.
 *Dancers must be enrolled in a BPA class in the same style as the additional routine(s) they wish to participate in.
- ★ Attend the All-Star dancer/parent informational meeting on Wednesday, August 10th during your dancer's class time.
